NATIONALLY RECOGNISED
TRAINING

Subsidised Training for Small Business

Macarthur Community College has access to funds to deliver eligible training to small businesses with 20 employees or less OR an annual turnover of less than \$2M.

The aim of the program - **Tech Savvy For Small Business (TSSB)** - is to support small business owners and their staff with fully subsidised accredited and non-accredited (must be delivered in conjunction with accredited) training in targeted courses in information technology, business services or foundation skills (language, literacy and numeracy). All training must have a vocational intent and in the case of a full qualification, funding is only available for no more than half the qualification.

What accredited courses does Macarthur Community College deliver that could qualify?

1. Computers for Beginners courses with Lubi Maric
2. Computer Skills for Early Childhood Education and Care
3. Spreadsheet courses
4. Typing courses
5. Word Processing courses
6. English Reading and Writing courses
